Date : 13-MAY-14

Personal ID: [REDACTED]

Scheme code: UC01

Dear Mr Zouhar

Congratulations. This letter confirms your place and any agreed changes at University of the Highlands and Islands for the Business, 001N course, subject to your meeting any outstanding non-academic conditions. The course starts in September 2014 with a point of entry 1.

Non-academic conditions may include inoculations, satisfactory medical report, police checks, etc. Please re-read the details of your offer and check with your university or college if you are unsure whether these or any other non-academic conditions apply in your case.

You cannot now apply to another university or college through Clearing. To check your next steps, including whether you are eligible to register for Adjustment, visit wwwucas.com. This letter acts as proof of your place for education authorities and banks so it is important that you keep it.

If the university or college listed was your **insurance choice**, this means that your application to your firm choice has been **unsuccessful**. If you believe your firm choice should have accepted you, please contact the university or college immediately.

University of the Highlands and Islands will assume that you are accepting this offer, and will be sending you joining instructions before you start your course.

If you are thinking of deferring your entry to 2015, you need to immediately contact the university or college direct to discuss whether they are prepared to allow you to do this.

You are now committed to this place. If you withdraw you will not be able to apply elsewhere in the 2014 application cycle. You will however be able to reapply in the 2015 application cycle. If your place is for a deferred entry, you cannot reapply in the 2015 cycle unless you withdraw from this offer.

I hope we have made your position clear to you.

On behalf of UCAS I wish you every success.

Yours sincerely

Mary Curnock Cook OBE
Chief Executive
